GENERAL INFORMATION

This will be the 23rd year for the Spartan Basketball Camp. We feel that we have put together a great opportunity for basketball players to get ready for next season. For the first time we are offering this camp to boys entering 4th through 6th grade from 8:00 to 10:00 AM and then for 7th through 9th grade from 10:30 to 12:30. In doing this we can give more individual help to each age group. Natural ability can only take you to a certain level, whether or not you go beyond that level depends on SOUND FUNDAMENTALS. If you want to learn to play the game, we want to teach you.

Parents and coaches are welcome to watch or ask questions during the camp. The Francis Howell Central Boys Basketball Staff would like to share with you our drills and our **Spartan Basketball** philosophy. We hope you can take these drills home and work with your son in the off season.
